

This guide was prepared to assist prospective students considering a degree from the College of Business at The University of Akron. The equivalencies listed were only for business and pre-business courses. General Education requirements are evaluated through the Transfer Center. The College of Business reserves the right to adjust course equivalencies through yearly review of the curriculum. Once a student has been admitted to the University, a formal review of transfer work will be done based upon the curriculum requirements in place at time of admission. For questions regarding admission to the University, please contact the Transfer and Adult Student Enrollment Center at (330) 972-3000 by email at transfer@uakron.edu.
